FOCUS ON FUN AND PLAYER DEVELOPMENT

The emphasis at U6 should be on movement exercises and games that promote a feel for the ball within a fun but structured setting. The field dimensions and rules are very limited to enable the players to continue to focus their attention on developing movement patterns, opposed to game tactics and scores. Individual skills of carrying the ball and kicking the ball are key factors for this age group. The most important skill these kids will learn is to have fun and ignite the passion for soccer.

Volunteer Coaches are Essential

Coaching within Ardrossan Soccer is very rewarding opportunity. All we require is enthusiasm and an encouraging volunteer. We support all our coaches with in- house support from our experienced coaches within Ardrossan Soccer. We do require that all coaches have a valid Criminal Record Check on file with Ardrossan Soccer Club.

**Without volunteer coaches...we are unable to field teams
no matter how many children are registered.**
