

Burnaby Minor Hockey Association

Proud of Our Past, Confident of Our Future!

Since its formation in 1964, the Burnaby Minor Hockey Association has remained one of the most respected members of the amateur sports community in British Columbia.

Over the years, the BMHA has proven a capable training ground not only on the ice with the likes of Ryan Walter and Joe Sakic, but for some of the most capable amateur hockey administrators.

Throughout its history, the BMHA has been proud to establish some of B.C.'s best on-ice records in all divisions of the game, including victories at various Provincial Championships over the years.

Proud of our past - confident of our future. This truly sums up the spirit of the Burnaby Minor Hockey Association!

Please take some time to enjoy these feelings with us.
