Old Business: Nothing at this time.

Reports:

**President:** Official grievance has come in from an Atom Parent about the coaching staff. Barry has asked for Paul Biggins, and Chris Dussault to sit with him to go over the grievance. **Barry will look into getting a storage unit** for all the DMHA stuff, documents, Fall Ball Decorations, and we will vote on this at the next meeting.

**VP:** Absent nothing to report

**Treasurer:** AGLC has been sent in. Corporate documents seem to be approved, have not heard anything back.

We have Four Families who we still have not seen their payment in full as of yet. Barry Candline will send a letter/e-mail to the families, stating that they need to make payment arrangements with DMHA by January 3<sup>rd</sup>, or they will not be allowed on the ice.

**Registrar:** Hockey Alberta sent down suspensions Saturday. As of right now, we have one coach ineligible for any ice time. He still has not taken his course, at this time. Jeramie Heistad is looking after this.

**Fundraising:** Fall Ball was a huge success. Lots of Good Feedback. Decorations are being stored underneath on the south side of the arena. Some left over pop. Novice 1 still owes money for their portion for the Fall Ball, minus \$60.00. Paul Biggin would like to make a motion that we spend \$177.95 as a Thank-you for Simone Reese. Tammy Bedard second's all in Favor, all opposed none. Passed.

**Coach in Chief:** Absent- Nothing to Report

**Director in Chief:** Sent out the player selection survey out to Managers, Hoping to have them returned by December 21<sup>st</sup>. Motion made by Paul Biggin to have all of our team pictures mounted on the wall in the arena, motion seconded by Chris Dussault, motion passed. **Tammy will contact Photographer.**

Alberta Sport Bursary- Looked into it, you cannot use the money for Jersey's, but we could use it for Equipment. Would need detailed financials, need to know what we would use money for, could apply in early spring.

Jerseys- Have some proofs back from TBS, still didn't like them, sent them back to have them redone. Hopefully by January we would have something concrete and can start working on Sponsors. Should be able to get them for around \$60.00.

**CAHL Rep:** Absent- Nothing to Report

**2& 27 REP:** Absent Nothing to Report

**Ice Scheduler:** Absent Nothing to Report

**Ref co-coordinator:** Absent- Nothing to Report

**Media Rep:** Pictures are ready will be delivered to Managers ASAP.

**50/50:** Absent Nothing to Report

**Equipment Manager:** Nothing to Report

#### **New Business:**

**RMAA-** We have no contract with RMAA to follow suit. Is the board interested in opening up peewee for registration next year? **Stacey Lodermeier will look into our numbers** as to how many kids we would have had in peewee this year. and how many next year.

**Awards Night-** Tentative date of March 27<sup>th</sup>, 2012. Motion to take the meal portion out of Awards Night made by Chris Dussault, seconded by Stacey Lodermeier. Motion passed we are all in favor. Look into possibly getting westglen gym or Didsbury High School. DMHA will not be ordering Esso Certificates or medals this year. **Stacey will get a book** and we will look into options at the next meeting.

**Registration Fees-** Looks like we will be sitting pretty well at the end of the year. The board would like to see registration fees down, in some form.

**Fun League-** Barry approached Fun League they are not interested in any way shape or form. Would like to stay separate.

**Casino-** Do we know how full the spread sheet is for volunteers, we do not know at this time.

**Ice times and Town-** **Barry is going to try and sit down with the Town** to discuss Ice Times, and the other groups that use our ice time.
