

## Respect in Sport Parent Program

---

The Respect in Sport Parent Program is an effective and informative online training program for parents of active children. This one hour online certification program reinforces a parents role in a child or youth's activities, encouraging positive sport behaviours, and providing insight into the various roles other individuals (such as coaches and officials) play. This program empowers parents to ensure the safety of their children, encourage positive and effective communication, and to enhance a child's fun and camaraderie of the activity.

The number one reason cited for coaches, managers and officials of all ages leaving a sport is unacceptable parent behaviour. Let the Respect in Sport Parent Program help assert proper parent behaviours to create a more rewarding, safe and respectful environment for all parties involved.

This program is mandatory for your child to play. One family member must have completed the course and register with Drumheller Minor Hockey.
