Team registration and deposit for the 2017 -2018 season.

In the past, Ellerslie has used a cut-off date for the end of July to the middle of August for all returning teams to register and pay their deposit. Then a date early in September that teams can come and pay their fees prior to the first night of curling.

This is changing effective June 15th of 2017. The cut-off date for all returning teams is now June 15th. Along with your team registration, Ellerslie requires a non-refundable deposit of 1/2 of the team entry fee to ensure that your spot is held in the league you are currently curling in. If you register and pay 100% of your team dues by June 15th, you will secure your spot in the league you are currently curling in and also receive a \$50.00 punch card to be used against lounge purchases.

Any team, no matter how long you have been a member at Ellerslie, who does not have their registration in and deposit paid by June 15th, 2017 will not be guaranteed a spot in the league that they curled in during the past season. All deposits are non-refundable.

This past season some of the leagues were not full and new teams were turned away because existing teams were granted entry over any new teams wishing to join. Deposits were not paid and registrations were not put in on time, new teams were turned away and as a result, some leagues were not filled. The leagues need to be full in order to keep operating costs in line. Also, no league wants to have a bye situation.

Ellerslie is attempting to have all leagues full and we feel that early registration is one way to accomplish this. Also, new teams will be able to join and keep our leagues full. We ask for your understanding with the change and hope that this does not create a hardship for any teams.

2017 – 2018 Curling Fees:

Sunday Mixed - \$275.00 per person
Monday Night Men's - \$400.00 per person
Tuesday Night Men's - \$400.00 per person
