March 11-13th

Member Feature:

Scott Smith is your new Club President.

Susan Schofield is your new Secretary on the board.

Open The Doors . . .

The ice plant was fired up on September 2nd and the flooding began. Startup went well and we began curling on September 27 with the juniors leading the way.

Registration Night . . .

Registration night was held on September 18. Rob's Albertan heating kindly donated door prizes for the evening. The lounge was open and many members took part in the evening. Thank you to all members who attended and paid their dues. We will be holding a registration night again next year to facilitate easier payment of dues for members. Registration for next season will be cut off on August 15 for returning teams to secure their spot in the leagues.

Casino September 26 – 27th . . .

A **HUGE** Thank You to all the casino volunteers, many who repeatedly help out with this very worthwhile fund raiser. Special Thanks to Susan Schofield for looking after last minute volunteer changes while I was away and Dixie, our manager, for covering all the phone calls. Also, thanks to Ryan Premak, Owen Krauss and Al Jaspersen for handling a few last minute changes on Saturday. Everyone's efforts made my job so much easier. The profits from the Casino will be posted when we receive them in February/March of 2016.

Thanks again from Joanne Laws, Casino Chairperson.

Election Day . . .

Ellerslie made the 6:00pm news broadcast on September 9 for being an advance polling station for the Federal Election. We were also a major polling station on Election Day. Thank you to the Monday Oilmen's and Monday Night Men's League for braving the parking lot and lobby area to come curl.

Fundraising . . .

Ellerslie is using VIP Meats and Purdy's Chocolates as a fundraiser this fall. The order forms are available at the club. You can leave your completed order form along with payment in the office prior to November 17. Pick up of both products will take place on December 6th between 9:00am-11:00am at the club

Special Thank You . . .

Gloria Feist stepped down this season after serving 10 years on the Board as secretary. Gloria continues to support the club as a Director on the Board.

Rod Gramlich was president of the Ellerslie Curling Club from 2013 -2015. Rod will remain on the Board as Past President.

Thank you for the hard work and leadership that both Rod and Gloria have given to our club.

To Our Members . . .

Thank you for returning this Season to curl at Ellerslie. May the measure always be in your favor, and the skips broom only a suggested guideline.
