WOLFRAM**, your
new Vice President.

Season Start Up . . .

Startup came early for the 2016-2017 season. Ellerslie changed the refrigerant in the ice plant to meet the new environmental code requirements. Making Ellerslie the first curling rink in Canada to switch to this new type of refrigerant. There were some bumps along the way and then we were underway and full steam ahead with our season. End result being fantastic ice!

Board News . . .

The Ellerslie Board of Directors brought in Canada Curling to facilitate Phase II in the Business of Curling. This workshop is designed to help curling club boards improve the functionality of the club. Over this next season, the Board will start implementing the new ideas. If you are interested in being on a Team and help with various club activities, please contact one of the Board Members or the Manager for more information. To those Board members who have retired, Lisa Gibb, Dorothy Cronk, Gloria Feist, Al Jaspersen & Brad Stover Thank You for your hard work during your time on the Board.

Junior Program . . .

After MANY years of dedication to the Ellerslie Junior Program, Greg & Lori Empey, Dennis & Valinda Oswald passed the reins to Beth Iskiw, Chantelle Pfeifer and Suzie Kennedy. Thank You to Greg, Lori, Dennis & Valinda for all your hard work. Thank you to all the volunteers who worked and still continue to work with the junior program. Prism Engineering purchased jackets for all the junior curlers, coaches and instructors in the program this season. Ellerslie has a Great Looking group to represent the club. A Huge Thank You to Glen Kennedy for his generosity through Prism Engineering to the junior program. Glen can be seen on the ice working with the juniors on Sundays when he is not on the curling circuit.

Opportunities Await . . .

Ellerslie is looking for a person or persons to instruct the Adult Learn to Curl classes as well as instruction for the schools that use our facility. If you are interested, please contact the Manager for further information on this.

Fundraising . . .

Ellerslie is promoting the Purdy's Chocolates for our Christmas fund raiser. Order deadline is November 23. Please place your order on line using customer number 32266 or complete the order form in the Purdy's booklet and return to the office with payment...

Game Play. . .

ECC promotes speedy play in all leagues. When the bell rings, please finish the end you are on and play one more. Once your sheet of ice is ready, you are encouraged to start your game that way you get your 8 ends of play completed within the allotted time.
