Lounge Services

Returning staff are: Dawn Werner, Emily Sommers, Stefanie Coderre, Kandace Lindholm. Welcome to Terry Little who will bring a wealth of experience to our club.

Ice Making Services

Don Palmer and his assistant, Travis Fankhanel will be getting our great ice ready for you to enjoy.

Club Improvements

We have installed a new lighted canopy over our front door, which really gives our club a new modern exposure. Dave Schroeder from Aztec Projects did the design work, and the awning itself was manufactured at Edmonton Tent & Awning.

There is a new Awards wall up in the lounge. It is one of the club's 50th Anniversary Projects. It has all the club champions from 1996 to our current year. Every year we will be adding to the champion's list.

Our kitchen has a brand new commercial range and grill. Linda tells me it is wonderful to cook with.

Volunteers

Thank you to the Board of Directors for all their help this past season. Our curling club has a great number of volunteers, Thank you!
