Arthur moves that we have the Annual General Meeting on May 13<sup>th</sup>, 2014 at 7:00pm at the Curling Club. Vince seconds it. Motion passed.

Cathy will send out the mail notices and email notices.

Tracey will have the ad put in the Free Press for the next two weeks.

Discussion on spring registration numbers;

- FMHA has a total of 12 ice slots. Current numbers look like we will have 1 initiation team, 2 novice teams, 2 atoms teams and 1-2 peewee teams.
- Current peewee numbers are 22 registered with a couple not registered yet and some movement requests. Only one goalie. Do we try to make 2 small teams or 1 team and release some players? How many would we release?
- Cathy to call the peewee aged players that have been registered in the past but not yet registered.
- Final decision will be made after the AGM with the new board.
