

FMHA Board Meeting

March 5, 2014

Present: Cathy Garcia, Tracey Kelly, Arthur Sombrowski, Vince Cocciolo, Mark Palmer, Pat Gris,

- Governance meeting in Creston February 23, 2014 – nobody from FMHA was able to attend. They have sent a copy of the presentation around and would like it reviewed and a district survey completed and returned to them. Tracey emailed out the information but nobody got through the 81 pages. Tracey will send out a summary and then would like everybody's feedback for the survey.
- Pee wee release evaluations start this week. There have been a couple of negative responses with questions about why we are doing this and why there will be Cranbrook players there. Arthur has responded to them.
 - Arthur is organizing the evaluators and players and will keep the evaluation results until such time that we need them for releases
- Tracey moves that we set the Pee wee registration price at \$415 for the 2014/2015 season. Pat seconds. Motion passed.
- Tracey to put an ad in the Free Press about the upcoming spring registration and that Pee wee hockey is coming back to Fernie.
