Guidelines for Funding For Individual Athletes

- Grants are only for activities that demonstrate a sustained sport experience with qualified instructors.
- KidSport™ will only issue funds to recognized organizations on behalf of the individual athlete.
- There is a maximum amount per calendar year per athlete, and priority will be given to kids applying for the first time during a calendar year.
- Only children 18 years and under are eligible.
- Grants are to pay for registration fees for sport programs and/or sport equipment.
- The Grant Review Committee will endeavor to process applications within 30 days.
- Grants applications should be submitted prior to the start date of the sporting activity

"It is an honor to be associated with KidSport. Some children are not fortunate enough to have the resources available to allow them to participate in organized sports. KidSport gives them the opportunity to participate in events that they might not have been able to had they not had the support of the organization. I would like to take this opportunity to wish KidSport and all the children the best of luck in their activities".
