

Lateral Tactics 1

Description

O1 makes a pass to O2 then drives outside lane around cone or dot. O2 will pass to O1 for a one time shot or quick release shot short side. O1 then peels off to his or her corner, picks up a puck while O2 drives wide in their lane. O1 passes to O2 for a one time or quick release shot short side. Rebound is live off the second shot!

Key Points: -quick to position, -visual lead, -strong rotation, -power control, -quick recovery
