

THE GRANITE QUARRY

October 2016

Issue 1

President's Message

Welcome to another season of action packed curling excitement. (Yes I said 'action packed curling excitement'... it happens).

We have made a few changes that we believe will make for an amazing year at the Granite such that our club can continue to be the best in the city. We have new managers this year as Nicole Stodola and Michael Laderoute will be sharing the role for the coming season. We feel the varied knowledge and expertise each brings to the club will be very beneficial in making your curling experience at the Granite just that much better. Please stop by and see them in the office anytime if you need anything (or just to say hi). And if there is one of them you don't really care for, talk to a different one.

I hope everyone has a tremendously enjoyable season!

Cheers.

Rick Fulmer (President)

Managers Corner

Last year was a good year and I am excited to be working at the Granite again, but this year in a bigger capacity as part of the management team. This year is a little different than normal in respect to the manager because we have a management team rather than just one manager. The management and the board are excited to improve the Granite in all aspects. This year we are going to be doing some new activities and more raffles. Our first new activity is a Paint Night on October 16th at 7pm. Tickets are \$45 and can be purchased in the office.

We have the Northern Junior Men and Women's playdowns on December 1-4th, 2016 and are inviting you to come down and watch some great curling and support the new generation of Alberta curlers.

If you have any questions, concerns, or ideas about the Granite please do not hesitate to give us a call or pop into the office.

Thanks and good curling.

Nicole
