Guidelines to be followed when submitting tournament or game scores:

- Include the division/league, name of team, and team sponsor. (i.e. Atom Development Western Roofing Nailers).
- Recreation Leagues - home team submits game report.
- Rep teams should contact media as soon as possible following games. In the event two Kamloops teams are playing each other the home team will submit the game report.
- No excessive scores should be emphasised, principles of **team first** and **fair play** should be of highest priority in submissions.
- Complaints or inappropriate conduct with respect to media submissions and relations will be handled in accordance with KMHA rules and guidelines and should be submitted to the director of media relations.

NOTE FROM KTW: We don't need period-by-period summaries or players' number to be included or play-by-play commentary. We want to keep it as basic as possible, to save time for all of us and to try and maximize the number of summaries we can include in our paper on Thursday.

The shorter each summary is, the less time it takes us to edit, the more submissions we can fit into the paper. Also, please ensure we're getting results sent in from only one of the team reps. We want to avoid receiving duplicates.

We ask that you add up the players' goals and assists and include one point total for each player, using G for goal and A for assist. Example: (2G, 1A).

If there is one big highlight in a game, feel free to include a brief line about it in the notes sections, which I've included in each of the above examples. For example: So-and-so scored in the last minute of the game to tie it up.

It can take up to six or seven hours each week to compile these results, sometimes even longer, and we absolutely had to streamline the process and get everyone on the same page — **no PDFs or attachments of any kind and no faxes.**

Please write the results in the body of an email, using the following examples as guidelines.

We start editing the KMHA briefs on Tuesday morning, so please try to get them to us by Monday at the latest.

If you have questions, feel free to email me at sports@kamloopsthisweek.com

TOURNAMENTS

The most important thing for us is for media reps to tally up the total of the players' points for the tournament, instead of giving game-by-game results.

Here's what a tournament write-up should look like . . .

Division and team name: atom recreation #14

Tournament name: Revelstoke Atom Recreation Tournament

Date and location: Nov. 14 to Nov. 16 in Revelstoke

Round-robin scores: 11-3 loss to Revelstoke, 8-7 loss to Cochrane, 8-4 loss to Trail, 13-0 win over Shaw Meadows of Calgary.

Playoff games: *(include scores here for quarter-final, semifinal and final games.)*

Points: ***(This is very important)*** In order to save space, so we can include more summaries in our paper each week, we ask that you tally up the total tournament points for each player, instead of recording them after every game.

Example: Player A (6G, 4A), Player B (5G, 4A), Player C (4G, 1A), Player D (3G, 5A), Player E (2G, 3A), Player F (2G, 3A), Player G (1G, 3A), Player H (1G), Player I (3A), Player J (2A) and Player K (1A).

Goalies: *Let us know which goalies played in which games.*

Notes: *(Here you can include pertinent information, such as the team's final placing . . . if someone was named tournament MVP . . . if someone scores the tournament-winning goal. Please be brief.)*
