PRESIDENT’S ADDRESS

It gives me great pleasure on behalf of the Maple Leaf Athletic Club Executive to extend a warm and enthusiastic thank you to all players, coaches, officials, parents, sponsors and friends that participated in the 2013-2014 hockey season. Exceptional play by all of our teams with some major successes in tournaments and season play fulfilled a number of our expectations. We trust that the competition was exciting and enjoyable with a high degree of sportsmanship and respect for the game.

Although another season has come and gone we are already planning next year’s activities. At this time we can reflect on our successes and strive to develop areas of our program that needs to be better developed.

I sincerely believe the future looks bright for MLAC. I have been honored to serve as the President for the last 7 years. To each and everyone I want to thank you for your support over those years. There have been some great times. We have a proud, rich history and spirit filled culture. Together we can continue to build on our successes and reach new goals for the organization. In order to ensure this, we require the collective help of our entire hockey community. We need assistance in a wide assortment of positions. If you are interested in Coaching, becoming a Director, serving on the Executive, Ladies Auxiliary or Alumni committees make your interest known.

Farewell to our graduating players. Thank you for your leadership, effort and commitment to the organization and your teams. Good luck with all the opportunities life has to offer. Hopefully, hockey has taught you about teamwork, work ethic and integrity. All of which will help you throughout your lifetime.

Steve Lekochinsky, President, MLAC

MLAC HOCKEY DIRECTOR

Another season has come to an end. We must say farewell to our MLAC graduating players. We wish you all the best in whatever your future holds and may they be filled with happiness and success.
A special thank you to all Coaches, Managers, and Treasurers for the many hours of work you have put into each team. As well, thank you to the parents for helping with various tasks this year. I cannot say enough.

To all who helped out with the Bantam Provincials thank you and a job well done.

To all returning players stay in shape and have a safe and enjoyable summer and remember come ready to play at tryout time.

Coaches, interviews will be conducted in early April. We hope to have all coaches in place by mid May.

Thank you all!!!

Bob Murphy, Hockey Director

"It’s not necessarily the amount of time you spend at practice that counts, it’s what you put into the practice." Eric Lindros
MLAC PROJECTS CHAIRPERSON

It has been a very successful fundraising year. This was a result of the numerous volunteers from the teams, parents, ladies auxiliary, alumni and executive.

The Casino, Grey Cup Pool and 50/50’s have all gone well. The loss of Bingos hurt the Maple Leaf Club financially. For the upcoming hockey season I, along with the Executive, are working on other fund raisers to enable the Club to keep registration costs reasonable.

Again, without your cooperation we would not be able to keep registration as low as we do and would at this time like to thank everyone for the much needed support.

Thank You

Clay Kolstad, Projects Chairperson,
MLAC Executive

“Success is like anything worthwhile. It has a price. You have to pay the price to win, and you have to pay the price to get to the point where success is possible. Most important you have to pay the price to stay there.” – Vince

MLAC SPONSORS

The Maple Leaf Athletic Club is proud of the interest and financial support provided by our generous sponsors to our hockey program. We take this opportunity to ask everyone to support the products and services of these fine organizations.

Midget AAA - United Cycle
Proud sponsor since 1986-87

Midget Minor AAA - Elite Sportswear
Proud sponsor since 1990-91

Midget AA – Go Logowear
Proud sponsor since 2008-09

Midget A ‘15’ Maple Leaf Alumni
Proud sponsor since 2012

Bantam AAA - Scott Pump
Proud sponsor since 1970-71

Bantam AA – Brick Warehouse
Proud sponsor since 1974-75

Bantam AA – Orkin Canada
Proud sponsor since 2012
The flagship team for the Maple Leafs Athletic Club is the United Cycle Midget AAA hockey team. Hands down and without a doubt the best group of young men I’ve had a chance to be involved with. As any hockey season begins, it starts with anticipation, practice jerseys, practice groups and tryout teams. Somewhere not long after the tryouts begin, the names, faces and personalities of these young men begin to shine through. Hockey in so many ways is a metaphor for life and if these young men are the future of this great nation, we can rest easily at night knowing that they will represent their families, society and themselves with great pride as they continue to expand into their futures lives.

Our team had simply an amazing year with many highlights, accomplishments and personal firsts. Our regular season began with our team 2-0 on the first weekend and sitting at the top of the North Division. Many hours of bus rides in the first part of the season solidified the team and created friendships that will last long past the hockey arena.

The absolute high point of the season would have to be playing the Women Olympic Hockey Team on December 14th, 2013. Despite the 2-1 loss, I personally felt we played a small part of their big win during the Sochi Olympics. The night was topped off with a group team picture with the ladies and a terrific dinner. Let’s not forget that our MLAC third jerseys had their first appearance with the women’s team that very night as well.

The 2013-2014 hockey season ended the same way it began. With the players representing themselves, their families and the Maple Leaf Athletic Club it is with the highest of dignity, professionalism, effort and honour. You are an amazing group of citizens, friends and hockey players. Best of luck during the next phases of your lives and I truly hope the absolute best for each and every one of you!

Scott Holliday and Coaching Staff
The 2013-14 season has come to an end and one will have to decide on their own whether or not it was a success. As was said in the beginning, success comes in many ways.

It was a pleasure to coach these guys. Sure we had our disagreements and frustrations, but we grew to accept the challenges that came upon us. I hope that somewhere along the way, we taught each other about life skills and how to deal with adversity and ways to deal with the obstacles. It did not matter if we were in our hotel, the restaurant in Prince Albert, or a diner on one of our road trips, the message from the staff was always consistent. This group was a well behaved, respectful group of young men. Not many teams were the recipients of such comments. These were truly all that.

We would like to thank the players for working to the very end and not giving up even when the results were known. It takes a special group to commit to the very end when trying circumstances are in front of them.

To the parents that volunteered with the various tasks that makes a season run, from the jersey cleaning, managing the team, assisting in the penalty box and ticket sales etc – Thank You!

To the players, it does not matter what road you take, but always do the best you can and enjoy the trip as one never knows what lies around the corner. To our sponsor and our club, who are important part of the hockey year with the financial contribution or time members put in behind the scene to make a hockey season run, we appreciate your efforts.

All the very best and good luck in the future!

The coaching staff of Go Logowear.
Another year has come and gone. The team saw a lot of changes throughout the season. Even though we did not end up playing in the top of the playoff pool as we had originally set out to do, we are very proud of the team.

The players really came together towards the end and they progressed and developed skills that will help them in the following season.

The coaching staff are all proud of the boys on the team and are so impressed with their ability to overcome adversity and rise to a challenge.

I would like to thank the players, parents and staff. Each player and parent made a serious commitment to the team and I appreciate the dedication. I believe we all know this does not happen without the involvement of the parents. Thank you for your commitment to our teams operation.

I wish success and hope all the players continue on with their hockey and look forward to seeing all of you at rink for years to come.

Good Luck to all!
The 2013-2014 REM 15 Alumni had started off in a fashion that most people would have doubted any forthcoming success. Having players from all different points in the city, it took some time for this team to experience any kind of cohesion. No matter the situation through the season, this team showed steady improvement. Understanding that each team qualifies for the post season, the mantra inside of the dressing room was “start slow, finish strong”.

Finish strong they did! One month before the post season, this team scared many opponents with close games. Teams used to beating the Alumni with a handful of goals were now only beating the Alumni with one or two goals and in a few cases only scoring the winning goal in the last few minutes of the third period. Some would argue that the team really came together in a tournament held in Regina, Sk, and they would have a strong case. In that tournament, the Alumni finished officially in 4th place out of 16 teams, while beating a team full of 17 yr olds whom were undefeated. However, I would add things started to turn for the Alumni a few weeks before the Regina tournament, when they defeated the second place team at that time. The Alumni ended up facing the first place team in the post season, taking the series right to the final game of which we lost.

Having the fortitude to stick together throughout the season has made some strong friendships which I am sure will last as long as the memories of this season. Valuable life lessons as team work, dedication and keeping positive are pillars to this teams success and I am positive they will continue forthwith those habits in all their endeavors.

Ian Caldeira
As we write the last chapter of the season for the Bantam AAA Scott Pump team we reflect on a season of challenges, of disappointments, of successes, of unfilled dreams and adversity but also one of growth, finding an identity and a journey of discovery.

We were given the opportunity and the honor of coaching this group of young men just after Thanksgiving. As in most relationships we entered it with an idealistic mindset that we were the answer for all that ails the team. However, like most relationships we endured a rocky start that caused us to pause and reconsider our decision to enter this “marriage”. Taking over the team was absolutely the right decision regardless of the adversity we encountered as we navigated some pretty rough waters!

The coaching staff found the players to be fully committed to improvement and eager to learn and change the culture. After a couple of tough games and decisions that did not go in our favor we began to make assessments of what we had and the job that lay in front of us. The idea was to work on changing the culture, improving the competitiveness and battle level of eh team and making a difference in every game we played. I can honestly say, regardless of our record in the win/loss column, we saw success in many of the areas we targeted to improve on upon. The boys never gave up, never mailed it in even when we knew we would not qualify for a playoff spot. They made us proud of their desire to improve and turn the ship around. We competed hard and gave ourselves a chance to win every game we played against some very strong competition. The team played very solid during the EBIT tournament over the Christmas break, backed by outstanding goaltending.

Although we won only one game post Christmas break, we battled hard with a never say die approach to each game. We played for pride and for each other. As a coach I learned a lot about myself and about my style of coaching and about the players on the team. It reinforced the concept that this game is about having fun, about becoming a better player/coach, a better person and a strong citizen of our community and it’s about loving the greatest game in the world. We push our players, our children to be great, to win at all costs regardless of consequences when what this game really teaches us is the value of friendships, of teamwork and cooperation, the spirit of competition, of trying your best and being proud of your accomplishments and accepting your shortcomings with dignity and class.

No, we did not have the success we wanted in the win column but sometimes success is not measured by those standards. Sometimes those successes are not revealed for a number of years after those lessons are learned. And after all, isn’t that what playing sports is all about? Learning life lessons, putting them into practice and passing those lessons learned on to the next generation. Regardless of the record, these boys made us proud and they may hold their heads high!! Bruce Leiter and coaching staff.
BANTAM AA

The Brickmen Bantam AA team is comprised of a group of dedicated and committed young men that have proudly represented the Maple Leaf Athletic Club. The season started in the late summer sun and journeyed through ups and downs as diverse as the temperatures of this winter season. This group of players did one thing that made the coaching staff proud, they always competed to the last whistle. The season was full of low scoring affairs and too many games that ended in one goal losses or ties. However, the players battled hard for the crest on their chest and for the individual next to them. It was always a total team effort.

The highlights of the year included traveling to Medicine Hat for a tournament, where the team came together to play some of its best hockey of the year. Goalies stood on their heads. Defenders played hard and physical in their own end and forwards scored timely goals. More than anything the players came together to have a great time and enjoy their time away. Nothing says hockey more than the opportunity to travel to an out of town tournament with team mates. The tournament was a resounding success.

Another highlight of the year was qualifying for the Bantam AA provincials championships. The Brickmen qualified for the championships by beating the MLAC Orkin team 2-0 in a best of three playdown. Playing in front of the large and boisterous crowds, the Brickmen withstood the challenges of a strong Orkin team to sweep the series. It was a phenomenal effort by the Brickmen players and it made the coaching staff proud. The determination displayed by the players was immense and the great result was due to exceptional execution and attention to details. It was a great year of hockey. The boys played hard, they stuck together and they competed each day on the ice. They were proud members of the Maple Leaf Athletic Club.

Congratulations to the Brickmen for a job well done!
This season was full of challenges for our team. Losing players for significant amounts of time has made everyone on our team work harder to compensate for those not able to play. Players have stuck together and as a reward we have managed to have a successful last month of the regular season that included a great tournament in Grand Prairie and big wins in the ERBHL against SSAC. The majority of the team has never quit working hard on the ice to get better and has learned many important details of hockey. A commitment to video sessions, off-ice work and team bonding events have been great from most of the players and parents.

The parent group has supported the team and helped videotaping every game and providing off-ice assistance with everything the team needed. Coaching staff has never stopped innovating and analyzing team’s performance in games and practices. Our team has also been respectful off ice, either in hotels or at out of town games. We were always proud to represent the Maple Leaf Athletic Club and Edmonton in out of town events. Players were always encouraged to take pride in wearing the Maple Leaf Athletic Club logo on their jerseys and many took it very seriously!

Kirill Chikin and Coaching Staff
Our Mission Statement

To offer support and recognition to the players of the Maple Leaf Athletic Club. To encourage a sense of fellowship amongst all of the women who support the players of the Maple Leaf Athletic Club.

LADIES AUXILIARY PRESIDENT

Once again the Ladies Auxiliary has had another successful year. We had some familiar and new faces serving on our Executive this season along with terrific Team Moms! It is always nice to see new Ladies getting involved with their son’s team. Team Moms are a huge support to continuing the tradition of the Ladies Auxiliary. I would like to thank all of the Ladies on our Executive and Team Moms for their help and support throughout this past hockey season. I couldn’t have done this without you. To the MLAC Executive and Alumni for their support throughout the year, a big thank you.

This year, as in the past, the Ladies Auxiliary supported our hockey players in many ways such as:

- Player of the month award
- Injured/Sick player recognition
- Heart & Soul awards
- Player appreciation gifts
- Recognition of graduating players
- Gift certificates for 2 rings (player name drawn at the banquet)

“Success isn’t always about greatness. It’s about consistency. Consistent hard work gains success. Greatness will come.”

-Dwayne “The Rock” Johnson

In addition, I would like to thank everyone who supported the Coach Purse with accessories raffle. The happy winner was Maria Laffin, mom to Daniel who played for Go Logowear Midget AA. The proceeds of this raffle contributed to the purchase of our annual Appreciation Gift for each player. The players enjoyed receiving a garment bag to house their suits when they travelled out of town.

Congratulations to the Heart and Soul Award winners and we extend our best wishes to all the graduating players in your future endeavors on and off the ice.

If anyone is interested in finding out about the Ladies Auxiliary or is interested in a position next year, please contact any LAX member or myself at tomanddeja@shaw.ca.

Lastly, the Ladies Alumni Golf Tournament will be held on June 6, 2014 at Rundle Park Golf Course. Watch the website for more information and an application form. Get your name in early as this event fills up quickly.

See you in August,

Deja Wachowicz
PLAYER OF THE MONTH

Each team’s coaching staff submits the name of the player of the month they feel has demonstrated the attitude “Never Give Up”. This player continuously shows the team spirit and leadership both during games and practices. This player may not be the leader of the scoreboard, but is the player that gives 110% every time he/she steps on the ice wearing the MLAC jersey. This player can only receive this award once during the hockey season to ensure recognition of as many players as possible throughout the season.

To acknowledge the selected players, the Ladies Auxiliary ensures each recipient receives an embroidered MLAC t-shirt and card of recognition. In addition, each month the player names are posted on the MLAC website.

GRADUATING MIDGET PLAYERS

The Ladies Auxiliary recognizes and congratulates all graduating Midget players.

Graduating Midget players are those players who have played all bantam and midget years with the MLAC organization.

"The will to win, the desire to succeed, the urge to reach your full potential...these are the keys that will unlock the door to personal excellence."
Eddie Robinson

5-year Graduating Players

- Fabio DeNardis
- Connor Ensell
- Nikolai Farrus
- Masen Presniuk
- Jacob Wachowicz

Recognition is also given to those graduating players whom have not played all of their bantam and midget years with MLAC.

- Michael Bruni
- Mason Dube
- Kevin Griffin
- Daniel Laffin
- Tyler McIntyre
- Chris McKay
- Ryen Papimy
- Brett Van Os
- Tyler Weiss
HEART & SOUL AWARD

This award is selected by the Players for the Players. The Heat & Soul award represents the individual player that their peers’ best feels embodies their team as a whole. He is the one who never gives up, portrays a positive attitude, plays with respect and keeps up team spirit. They come to each game and practice giving all of themselves for their team and is a positive role model representing their team and the Maple Leaf Athletic Club.

Recipients are named during the banquet.

“The highest compliment...is to say that I work hard every day.”
Wayne Gretzky

United Cycle Midget AAA – Nikolai Farrus #31
Go Logowear Midget AA – Tyler Weiss #18
Elite Sportswear Minor Midget AAA – Michael Di Lullo #12
Alumni Rem 15 – Brady Robinson #9
Scott Pump Bantam AAA – Carter Sieben #10
Orkin Canada Bantam AA – Sam Stampe #7
Brickmen Bantam AA – Brayden Denomme #19

Congratulations to all these fine players!
SUNSHINE PROGRAM
for injured/sick players

There is probably nothing worse than being injured/sick and having to sit on the sidelines watching your team play. Unfortunately this is sometimes part of the game. The Ladies Auxiliary implemented the Sunshine program to support sick and injured players to remind them they are very much considered part of the team and the organization. Injured/sick players missing 3 consecutive games receive MLAC t-shirt and card of encouragement.

MLAC RING WINNERS

Bantam player – Kaeden Tedkoppel
Midget player – Tony Sirianni
RESPECT IN SPORT

The #1 reason cited for coaches, managers and officials of all ages leaving a sport is unacceptable parent behavior.

The Respect in Sport Parent Program is an effective and informative online training program for parents of active children. This unique certification program complements Respect in Sport for Coaches/Activity Leaders by reinforcing a parents role in a child or youth’s activities, encouraging positive sport behaviors, and providing insight into the various roles other individuals (such as coaches and officials) play. This program empowers parents to ensure the safety of their children, encourage positive and effective communication, and to enhance a child’s fun with the activity.

Let the Respect in Sport Parent Program help assert proper parent behaviors to create a more rewarding, safe and respectful environment for all parties involved.

For more information go to: http://www.hockeyalberta.ca
The Maple Leaf Alumni Association supports the "off-ice" activities of the Maple Leaf Athletic Club. The goal of the Alumni is to support Edmonton Youth in a variety of ways through donations of time, equipment and funds, with a primary focus on providing educational assistance to youth in the Maple Leaf program. Each spring the Alumni awards Educational Bursaries to help young people with post-secondary educational tuition.
ALUMNI PRESIDENT

2014 MLAC Alumni news

On behalf of the Maple Leaf Alumni, we would like to congratulate all this evenings Award Recipients. Thanks to all the team staff and the MLAC Executive for all your efforts over the season. We’d like to thank all of the parents, for your passion and dedication, in helping these athletes become the best person they can be.

The Alumni will be offering several Bursaries this evening from our education committee, and have committed to keep this as one of the clubs main focuses in the years to come. As well, the Alumni shall to help support those in need with support in registration costs. Two Bantam AA players will be selected this evening, to attend the U of A Golden Bear hockey school.

Normally we would be announcing our Golf Tournament at this time. The Alumni has agreed to have the Athletic Club run the event and work with the MLAC in running the event as they’re Annual fund Raiser. The intent is to make this more of a social/ family orientated event.

We have started to dole out some of our Casino funds to area groups that need our help. To date we have selected the Abbottsfield Rec Center; Gord Russell Crystal Kids; the Brick Sports Central, and Kids Sports in NE Edmonton. As well we are currently working on an arrangement with The Little Warriors organization. Anyone with thoughts on where funding ideas might additionally be applied, please send me a line. None of this would be possible without the hard work of our Alumni members, so thanks to all for your hard work in making these items possible.

To all the players who are graduating, best wishes wherever that road leads you. To the remainder we wish you a great summer and hope to see you next year.

Terry Ledingham
MLAC LADIES ALUMNI

On behalf of the Ladies Alumni, I am pleased to congratulate the Maple Leaf Athletic Club on the completion of another hockey season and the very successful hosting event of the Bantam AA Alberta Provincial Championship Playoffs. The Maple Leaf Athletic Club have a history of a commitment to the game of hockey and their support to the players and the coaches. Once again, thank you to the executive, coaches, managers, Ladies Auxiliary, all volunteers, parents and players for a job well done and the great event.

The Ladies Alumni is an informed group of former hockey moms, grannies, executive members, Coach and Manager Wives and other interested persons. Our mission is to continue the involvement in the MLAC organization to support social activities and encourage participation in the organization.

To join the Ladies Alumni requires no previous experience or affiliation. The prerequisite for membership is a desire to continue the hockey experience. Ladies Alumni offers you continued involvement without a big commitment.

Join Us for the Ladies Alumni Annual Golf Tournament will be held on Friday, June 6, 2014 at the Rundle Golf Course. This event offers fun, exercise and friendship. We urge you to join us for this great event. Information will be forthcoming on the Maple Leaf Athletic Club website. We look forward to seeing all of you who have golfed in the past and invite others who would like to join us for a fun time.

Wishing you all a great summer!

Judy Jacobs, Life Member (780) 479-8600

“When we’ve got the puck, they can’t score.”
Paul Coffey
EDMONTON BANTAM INVITATIONAL TOURNAMENT (EBIT) SCHOLARSHIP RECIPIENT

At the Annual Edmonton Invitational Bantam Tournament of Champions, Six Scholarships are awarded to players who best meet the following criteria:

- Academic excellence
- Community involvement
- Role model characteristics
- Positive attitude
- Demonstrated future career planning
- Athletic Accolades

Coaches of the teams entered in the tournament are asked to nominate one player from their team who would best meet the above criteria. The nominated players are asked to obtain a letter from their school indicating their academic progress, letters of reference and a letter of recommendation from the Coach. These letters are to be brought with them to the tournament. The EBIT Scholarship Committee conducts an interview with each of the nominees and then select the winners.

This year MLAC player recipients are Carter Sieben of Scott Pump Bantam AAA and Tyrone Lawrence from Orkin Canada, Bantam AA team. Congratulations on your $1,000 scholarship.

We encourage all the players to take advantage of the many scholarships available within various hockey programs and organizations.
BUILDING A STRONGER MLAC HOCKEY PROGRAM
through community collaboration

Hockey clubs North Sierra and the Northeast Zone comprised of Brave-Raiders, Eagles and Northstars offer excellent hockey programs for children from 4 to 19 years. MLAC depends on these minor hockey programs to nurture and hone the skills of young hockey players in preparation for potential players to enter the Maple Leaf Athletic Club for AA and AAA Bantam and Midget teams.
