**MEDICINE HAT RINGETTE ASSOCIATION  
VOLUNTEER POLICY  
2015-2016 SEASON**

*Bingos, casinos and other community involvement opportunities are some of the major sources of revenue for our association. It is important that all families be involved with these fundraising activities in order to continue to support our association.*

Each family must sign up to work a total of 8 volunteer hours. These hours may be in the form of two bingos, a 2-day casino, or other **association approved** volunteer commitments (examples may include Spectrum, pre-season evaluations, chuck wagon races, tournament or league game timeslots, etc.). **Two undated cheques for \$200.00**, payable to the *Medicine Hat Ringette Association* are required. These cheques will not be cashed if you work your scheduled volunteer obligations. However, if you do not work your shift (or find a replacement worker) your cheque will be cashed. **It is your responsibility to find a replacement worker should the need arise.** The volunteer schedule includes a variety of activities from July 2015 to June 2016. If you have signed up for a bingo or other approved volunteer commitment that takes place after the season, you are **still obligated** to work or we will cash your cheque. {Please note that anyone working a bingo or casino must be a minimum 18 years of age.}

Some volunteer dates will be available at registration for you to choose. However, other opportunities may present themselves throughout the season and will be communicated via email and/or our website.
