

Baden Minor Softball Association 2017 Pitching and Catching Clinic

Once again Baden will be hosting a pitching clinic for Pitchers within the Baden and New Hamburg Associations. This is a first come first served Clinic. We will be accepting up to approximately 45 pitchers and 45 catchers. There will be a total of 7 sessions, each session will run for around 55 min including warm up. Groups are subject to change depending on numbers. All Pitchers will be expected to supply their own catcher in case we do not have enough catchers register to catch for everyone. Catchers, please check with your local association about borrowing catcher's equipment if you do not have your own.

All sessions will run from 9:00 am – 12:00pm and will be held at Waterloo-Oxford DSS. (Enter around the back of the school)
