

NOVA SYNCHRO CLUB

# Background & Instructions

Laura Mumme Swimmer Development Scholarship

## A Message From Laura Mumme

I have been with the Nova Synchro Club as a swimmer, coach and head coach for over 16 years. Synchronized swimming and the club continues to not only be a passion in my life, but also has had a strong influence in who I am today. I want to give back to the club to show my appreciation for all the hard work and countless hours the swimmers, coaches and parents contribute. As a swimmer, I was always looking for ways to improve my synchronized swimming knowledge, skills and abilities. Physical, mental, and emotional training play key roles in athlete development. Therefore, I am providing the opportunity for any Nova swimmer to receive additional support to enhance any of those areas.

It is my hope this scholarship will allow Nova swimmers to reflect on their own personal development and allow them the opportunity to achieve their synchronized swimming goals.

## Purpose

This \$500 scholarship fund was developed to recognize the contributions made by Nova Synchro swimmers and to support their synchronized swimming growth and development.

## Eligibility

- Must be registered as a Nova Synchronized swimmer
- Swimmer must complete the application form (not to be completed by parent or guardian)
- Swimmer must have not won the scholarship in the previous year

## Instructions

Please complete the “*Laura Mumme Swimmer Development Scholarship Application*” form and submit to Laura Mumme by the application deadline **May 20<sup>th</sup>, 2016** in order to be eligible for the \$500 scholarship money to be used towards synchronized swimming growth and development.

## Submission Deadline

May 20<sup>th</sup>, 2016 – all applications due by midnight

## Submission Instructions

Applications can be submitted electronically to Laura Mumme [lemumme@gmail.com](mailto:lemumme@gmail.com) (paper copies can be provided upon request).

## Recipient Announcement

The scholarship recipient will be announced at the Nova Synchro Year-End Watershow.
