*You do NOT have to apply for a permit for League Games, League Crossovers or Playoff Games*

**Exhibition Game Permits** are required if you are hosting an exhibition game regardless of what arena. i.e. If you are having an exhibition game in Black Diamond you need an exhibition game permit. If you are having an exhibition game in Okotoks you need an exhibition game permit.

**Special Event Sanctions** are required for all activities, training, and fundraising involving your team.
