Under Armour Pro Box Lacrosse Cage Face Mask falsely advertised as endorsed by CLA

It has been brought to the attention of the Canadian Lacrosse Association (CLA) that the *Under Armour Pro Box Lacrosse Cage Face Mask* is being falsely advertised as being “CLA Approved” and claiming to “meet CSA standards”.

The CLA would like to clearly state that as of February 27, 2014 **the Under Armour Pro Box Lacrosse Cage Face Mask is NOT CSA-approved and therefore is not legal for use per CLA policy 12.4.2.** The CLA has confirmed that although Under Armour is in the process of obtaining CSA approval, there are a number of components missing and therefore the certification has not been granted.

The CLA does not approve facemasks for lacrosse. The CLA endorses facemasks that are approved by the CSA.

The CLA's greatest priority is the safety of all members and participants.

Please do not hesitate to contact CLA Program Coordinator, Ashley Raaymakers (ashley@lacrosse.ca or 613-260-2028 ext. 301) should you have any additional questions or concerns.
