FAIR PLAY INITIATIVE

As a result of Hockey Canada’s focus on fair play and improved communication between officials, coaches and players, Hockey Canada has implemented the following process:

“In all games, the officials shall approach each bench and meet the Coaches. This process should not take more than 15 seconds and will be completed prior to the game, at the end of the pre-game warm-up. Officials are also encouraged to shake hands with the Captains where possible”.

This process is supported by the Coaching Program, Officiating Program and Hockey Canada’s Board of Directors.
