

Tournament General Information

Penticton Minor Hockey Association and its sponsors are proud to host tournaments throughout the year to give players of all ages, from throughout British Columbia and neighboring Provinces and States, a chance to come together in Penticton and play for the “Cup”. Although typically small in comparison to other Associations Tournaments, Penticton MHA tries to host teams of similar caliber to strive for fun and competitive action for all teams. While you are attending your tournament, come and visit the BC Hockey Hall of Fame, located at Penticton South Okanagan Event Centre.

Teams selected for Penticton MHA tournaments are not selected exclusively on dates. Teams are selected from the Applications received by PMHA typically a couple of months before the Tournament, except for early season Tournaments.

In most PMHA tournaments there is a four game minimum except Initiation there are three games guaranteed. See the Tournament webpage for information such as fees, number of teams, number of games, starting and end dates/times. Entry Fees vary by Tournament but are kept low and not used as an Association fundraiser.

To apply for a Penticton MHA Tournament, download the Tournament Application, complete all sections and mail to the address on the Application. All teams must submit a BC Hockey Official Team Roster, which may be obtained from your local administrator or registrar. Payment of the Tournament Registration fee should accompany your application. The cheque will not be cashed until your team is selected to participate in the requested tournament. Scanned/mailed applications accepted. Original application must be mailed with your payment.

PayPal payments are accepted. See the “Registration” tab and click on the “Donate Button” to make online PayPal payment.

Body Checking

Penticton Minor Hockey Association, consistent with OMAHA policies, limits body checking to Rep level tournaments (Tier 2 and Tier 3) in the Bantam and Midget divisions only. Body checking, as defined by CHA rules, is NOT permitted for all other tournaments, but body contact is permitted.
