### Comparison of Hockey 1 vs The First Shift

- Hockey 1 will start **September 12**. The first ice time for The First Shift will be in early **November**.
- Hockey 1 will have at least **2 sessions per week** and players will have flexibility about when they attend. The First Shift will have **1 session per week**.
- Hockey 1 includes about **20 ice sessions plus one tournament**. It will end in late February. The First Shift includes **6 ice sessions**. It will end in December and players can then register for another program (at an additional cost).
- Hockey 1 does not include equipment. The First Shift does include all equipment.
- Price is exactly the same for the two programs.

*If you want guaranteed registration and a full season of hockey and/or if you already have equipment, Hockey 1 is a better choice for you.*

### Comparison of Intro to Hockey vs The First Shift

- Intro to Hockey will start **September 12**. The first ice time for The First Shift will be in early **November**.
- Intro to Hockey will have at least **2 sessions per week** and players will have flexibility about when they attend. The First Shift will have **1 session per week**.
- Intro to Hockey includes about **20 ice sessions plus the opportunity to practice regularly with a team and attend weekly player development sessions**. It will end in late February. The First Shift includes **6 ice sessions**. It will end in December and players can then register for another program (at an additional cost).
- Intro to Hockey does not include equipment. The First Shift does include all equipment.
- The price for The First Shift is \$199. The price for Intro to Hockey is \$399 (because of the number of ice times your child could potentially attend each week).

*If you want guaranteed registration and a full season of hockey and/or if you already have equipment, Intro to Hockey is a better choice for you.*
