

2018-2019 BIG ROCK MEN'S SUPER LEAGUE

QUALIFICATION INFORMATION

The 2018-2019 Big Rock Men's Super League is expected to include a maximum of 10 Teams.

1. As many as 7 Teams will pre-qualify through a Cumulative Points System. This system recognizes individual performance in Major Championships (see points form), in Selected Other Championships (see points form), in Tour Events, and in the Men's Super League.
2. The next 3 Teams will then pre-qualify based on their placing in the 2017-2018 Men's Super League regular season. Please note that these teams must meet the minimum team retention criteria (2 returning players including the fourth-rock thrower, or 3 returning players not including the fourth-rock thrower). It should also be noted that these teams must have finished in the top 10 in the 2017-2018 Men's Super League regular season.
3. In the event that 10 or fewer teams apply they will all be admitted to the league, regardless of their points or their placing in the 2017-2018 Men's Super League. However, in the event that more than 10 teams apply, there will be a Pre-Season Double Knock-Out Play-Down, which will involve the least number of teams possible. This play-down will determine the final spot in the 2018-2019 Men's Super League.
