

FRIDAY SENIORS LEAGUE RULES & FORMAT

1. All Friday Seniors League Games will be 8 ends in length subject to a buzzer. The buzzer signals to finish the end being played, plus one more. The end is complete when the points are determined. The buzzer will sound at 11:10 am for this league (1 hour, 40 minutes after the scheduled 9:30 am starting time).
2. All ties will be broken by way of a single Draw-to-the-Button Shoot-Out. Any member of your team may throw this draw, two team members may brush, and one must hold the broom. The other team may not brush behind the T-line however. The team scoring the last point will throw the first draw, which should be measured immediately after it comes to a stop.
3. The following Point System will apply to all league games throughout the season: 2-Points (Win), 1-Point (Shoot-Out Loss), 0-Points (Loss).
4. The season begins with a 9-Game Round Robin where you will play each of the other teams in your Own Pool and 1 cross-over game. The season culminates with Grudge Week. The match-ups will be X-1st Place vs. Y-1st Place, X-2nd Place vs. Y-2nd Place, and so on...
5. Two regular team members must be present to constitute a legal rink (this can include a registered 5th member), or the game must be forfeited. Spares can play the position of the player they are replacing or lower.
6. If a game cannot be played at the scheduled time, the team cancelling should notify the opposing team and the Saville Centre. A game can be rescheduled if there is a convenient time for both teams and as long as the game is played prior to the start of the next round. If the game is not completed within this time, the team that cancelled will receive 0-Points (Loss) and the opposing team will receive 2-Points (Win).
7. Except where noted above, the Canadian Curling Association's Rules of Curling for General Play apply. Should any situation occur that is not covered by these rules, or by the exceptions noted above, Laura Crocker or Dana Ferguson will be responsible for the final decision.
