

UNIVERSITY LEAGUE RULES & FORMAT

1. All University League Games will be 8 ends in length subject to a buzzer. The buzzer signals to finish the end being played, plus one more. The end is complete when the points are determined. This buzzer will also determine the doubles board winner for the evening. Buzzer goes at 9:25pm (1 hour and 40 minutes after the scheduled 7:45 pm start time). Please make every effort to ensure all games reach 8 ends, and keep in mind that the buzzer is meant as a tool to keep games on time and **not** as a stalling tactic.
2. In the event that your team makes a double during your game, you must bring the Doubles Board to your sheet. The team that has the board in their possession when the buzzer goes is the doubles board winner for the evening.
3. All ties will be broken by way of a single Draw-to-the-Button Shoot-Out. Any member of your team may throw this draw, two team members may brush, and one must hold the broom. The other team may not brush behind the T-line. The team scoring the last point will throw the first draw, which should be measured immediately after it comes to a stop.
4. The format will be a 15-game Round Robin against all other teams in the league. Head-to-head record will be used to break any ties in the standings.
5. The following Point System will apply to all league games throughout the season: 2-Points (Win), 1-Point (Shoot-Out Loss), 0-Points (Loss).
6. Two regular team members must be present to constitute a legal rink (this can include a registered 5th member), or the game must be forfeited. Spares can play the position of the player they are replacing or lower.
7. If a game cannot be played at the scheduled time, the team cancelling should notify the opposing team and the Saville Centre. A game can be rescheduled if there is a convenient time for both teams when the ice is available. If the game is not completed within this time, the team that cancelled will receive 0-Points (Loss) and the opposing team will receive 2-Points (Win).
8. Except where noted above, the Canadian Curling Association's Rules of Curling for General Play apply. Should any situation occur that is not covered by these rules, or by the exceptions noted above, Laura Crocker or Dana Ferguson will be responsible for the final decision.
