

Phoenix Jersey Damage Report

Attention Parents: This form is to help us identify any problems with the jerseys at the beginning of each season. When jerseys are returned at the end of the season, we assess whether the jersey needs to be replaced due to excessive wear or if they are ok to continue being used. Your jersey may have some minor stains, snags or pilling. If your jersey does have any noticeable defects, please indicate on the the shirts below. There is room to put additional comments if need be.
