

## **Late Registration Policy**

### **Phoenix**

The purpose of this Late Registration Policy is to minimize Late Registrations, unless special circumstances arise. Special Circumstances may be termed but not limited to things such as a relocation to the district from another district, or province; or recovery from an injury, etc.

1. Registration fees will not be prorated for late registrations received from start of season thru the first 4 games of the season.
2. There will be a \$25.00 late registration fee included in all late registrations.
3. All late registrations will be required to pay \$20.00 tryout fee in order to be assessed to play on a Phoenix team. There will be no exceptions.
4. If the late registration is after the first 4 games, then the registration fees will be prorated, based on the number of games remaining in the season.
5. All late registrations must be assessed by the Technical Group, they must be paid in full for the tryout fee, and the player must be registered in RAMP prior to being assessed.
6. If the player is assessed and granted a spot on the Phoenix team, then the player will be responsible to pay the late registration fee as well as a portion of the EMSA/EIYSA fees as determined by the office, based on the number of games remaining in the season.
7. If the late registration is due to an injury, then the SPDSA reserves the right to request a clearance letter from a Doctor.
