APPENDIX B

Game and Conduct Manual

1.0 Overview

Slave Lake Minor Hockey Association views the Game and Conduct Manual as support and confirmation to the many excellent volunteers, Coaches, Officials and Parents who are in the majority and who have always practiced and subscribed to the fundamental principles of fun, respect and positive development of minor hockey in our community. We see this program as a vehicle to assist them to further these values and make minor hockey even better and more enjoyable. One could view the Game and Conduct Manual as a celebration of the positive elements of hockey that will overwhelm those negative elements that have unfortunately tainted the reputation of the game today. Those few who may question the program are the very ones that many of the elements of the program are aimed at and are indicative of a problem and not a solution. It is not a time to be defensive, but rather offensive and proactive in advocating a program that is totally positive. We encourage the majority to confidently come forward with energy and support the Game and Conduct Manual to make our minor hockey association even better.

2.0 Objective of the Program

To provide a program, which plays a significant role in the development of a person's values, morals, social maturity, physical fitness and mental fitness. To promote acceptable conduct which provides:

- Respect for persons
- Protection from harm
- Development of ethical conduct towards others
- Notions of justice, fairness, equity
- Freedom to enjoy, flourish
- Respect for the game

It is a must that every participant abides by these principles. A participant is defined as (but not limited to) a Director, Player, Coach, Official, or Spectator.

This program is not intended to be a new process for complaints about officiating or general hockey rules. The objective is to promote and ensure acceptable behavior.

3.0 Definition of "Unacceptable Behavior"

An individual is displaying unacceptable behavior if they are verbally or physically harassing and/or abusing a game participant (Player, Coach, Spectator or Official).

When there is a situation of "unacceptable behavior", the responsibilities of SLMHA, Coaches, Spectators and on-ice Officials are as set out herein. The focus is on achieving the program objectives. Confrontation should be avoided and reporting is encouraged, as it is an important step in attaining the objective.

3.0 Matters of Unacceptable Conduct and Behavior

3.1 Abuse and Neglect

3.1.1 When any person has reasonable grounds, in the course of Hockey Alberta business, activities or events that a child is being abused or neglected, he or she shall report this belief to the child protection authorities and / or Police. Hockey Alberta's General Manager should also be advised of the intent to report.

3.1.2 Hockey Alberta shall take no further action until such time as the authorities and/or Police have concluded their investigation, unless there is cause for an immediate suspension on an interim basis to protect the child from further harm.

3.1.3 The matter shall be dealt with as a disciplinary matter pursuant to this policy, and the report of the investigation carried out by authorities may be utilized as required by Hockey Alberta.

3.2 Harassment

Harassment is a form of discrimination. Harassment is prohibited by human rights legislation. In its most extreme forms, harassment can be an offence under the Criminal Code of Canada.

3.2.1 Harassment is defined as conduct, which is disrespectful, insulting, intimidating, humiliating, offensive or physically harmful. Types of behavior which constitute harassment include, but are not limited to:

- a) Unwelcome jokes, innuendo or teasing about a person's looks, body, attire, age, race, religion, sex or sexual orientation.
- b) Condescending, patronizing, threatening or punishing actions, which undermine self-esteem or diminish performance.
- c) Practical jokes that cause awkwardness or embarrassment endanger a person's safety or negatively affect performance.
- d) Unwanted or unnecessary physical contact including touching, patting or pinching.
- e) Any form of hazing.

- h) Behaviors such as those described above which are not directed towards individuals or groups but which have the effect of creating a negative, hostile or uncomfortable environment.

3.3 Cyber Bullying

SLMHA is committed to help reduce and prevent the bullying of participants. Written and Cyber Bullying is defined as harmful actions that are communicated via written or electronic media and are intended to embarrass, harm or slander another SLMHA participant.

Some examples for the bullying policy are:

1. Continually criticizing the targets abilities.
2. Blaming the target for mistakes.
3. Repeated insults or put downs of the target.
4. Denying or discontinuing the targets accomplishments.
5. Threats of actual physical violence towards the target.

Written and/or Cyber Bullying within SLMHA will be dealt with as per the following:

1. Information will be gathered from sources pertaining to the incident and reviewed by SLMHA.
2. Professional assistance may be called upon as required.
3. First offense under this policy is a two week, date to date, all activities including practices, suspension. Offender will receive this suspension in writing.
4. Second offense is an indefinite suspension. The player will remain under suspension while the case is investigated and dealt with by SLMHA.

Note: Should there be a need for RCMP involvement, all information will be passed to the local authorities.

4.0 Complaint Handling Procedure

4.1 Implementation Trigger

The written reporting of unacceptable behavior by a Director, Member, Spectator, Coach, Player, or Official is the triggering event of the complaint handling procedure. This reporting process will govern the person(s) responsible for investigating the complaint. The methods of enforcement will vary dependent on the severity of the event.

4.2 Reporting Process

The Discipline Committee will be utilized by the Association to receive and investigate complaints. If any person feels they may not be able to deal objectively with the complaint due to personal involvement or other conflict, an alternate should be designated.

All submitted incident reports will be reviewed by the President of SLMHA to ensure the appropriateness of the response and consistency of enforcement within the Association. If a report is submitted to the Association directly, bypassing the President, then the President must be notified of the incident.

If an incident occurs which meets the definition of unacceptable behavior and in the opinion of a Player, Spectator, Coach or Official, is serious enough to warrant a formal complaint, then an Incident Report Form (Appendix C) or signed written letter of complaint must be completed.

The Incident Report Form or letter should be submitted to any member of the Disciplinary Committee. Members are as follows:

- President/Vice President
- Coaching Director
- Ref-In-Chief
- Division Coordinators

4.3 Responsible Reporters

4.3.1 On/Off Ice Officials

If, in the opinion of an official (on-ice or off-ice), an individual is verbally or physically harassing or abusing a game participant (Coach, Player or Official), the Official will at a stoppage of play, identify the offending individual and through discussion with one or both Coaches, request that the offending individual cease this unacceptable behavior. If the behavior continues, the Official will document the offence or action on a game incident report form or the back of the game sheet. A copy of the write up of the game sheet will be forwarded to the Disciplinary Committee, triggering the complaint handling process.

4.3.2 Directors, Members, Spectators, Players

If in the opinion of a Director, Member, Spectator or Player an individual is verbally or physically harassing or abusing a game participant (Coach, Player, Official or Spectator), an incident report form is to be completed and forwarded to the Disciplinary Committee. This will trigger the complaint handling procedure. In the event that the individual is a member of a visiting Association, the complaint will also be forwarded to the appropriate Association.

4.4 Complaint Handling Process

All complaints are to be given to the Chair of the Discipline Committee (President) or the Vice President if the complaint involves the President. The Chair will determine the validity of the complaint and assemble the Discipline Committee as necessary.

Executive Members, or their immediate families, filing a complaint or with a complaint filed against them, will be asked to excuse themselves from the disciplinary process.

When possible, within 72 hours the Discipline Committee will meet and discuss the validity of the complaint and how to investigate further. A written response to all reports may not always be possible, as our volunteers may not have the resources to do so. We do however hope to be able to contact complainants at some point during the process. Resolution typically takes two (2) to four (4) weeks for receipt.

All complaints will be compiled with documentation of action taken. Discipline Committee will review above documentation on a necessity basis.

4.4.1A Enforcement

The Discipline Committee will confirm the complaint is valid and the following action will occur:

1. Verbal warning given after the first complaint.
2. Written warning after second complaint.
3. Disciplinary Committee hearing held on the third complaint.

The President and appropriate Committee member can go directly to the Disciplinary Committee when complaint is deemed to be serious and the three warnings would only prolong or escalate the behavior.

4.4.1B Disciplinary Committee Guidelines

The first order of business for the Disciplinary Committee is to confirm the complaint is valid. The next step is to classify the infraction based on the following:

a) Mild

This would be applied when it is an offence, which is less severe in nature. The offending individual has shown true remorse and the actions are out of character. There is little chance of this person re-offending.

b) Moderate

This is for offences that are mild to moderate in severity. Application of this type of discipline would be for a second offence. It would also be applied to individuals who have not accepted responsibility for their actions, show no remorse and the likelihood of re-offending is high.

c) Severe

This is for the most serious offences. An example could be physically threatening or assaulting another individual. Application of this type of discipline would be for individuals who have re-offended multiple times or have not accepted responsibility for their actions, show no remorse and are likely to re-offend.

The final step of the committee is to assign discipline. Discipline is outlined as:

Mild infraction: A letter of apology and/or a retraction will be required.

Moderate Infraction: Such member will receive either a 1 to 4 week suspension, at the discretion of the Disciplinary Committee, from all Minor hockey activities (practices, games, tournaments, etc...) or a suspension of a set number of games.

Severe Infraction: A member of the Disciplinary Committee will make recommendation to the Executive for the dismissal of such member, from the Board and/or all Membership. Decisions to revoke Membership must be made by "Special Resolution".

4.4.1C Executive Members

The following disciplinary actions apply when infractions occur in their roles as Executive members as opposed to Parent, Spectator, Coach or Official. Only written complaints will be considered.

a) Mild

Failure of an Executive Member to fulfill their job description

- it is the first time
- the action or inaction has not caused detrimental affects to SLMHA
- the member accepts responsibility and corrects the problem

b) Moderate

Failure of an Executive Member to fulfill their job description

- the infraction is related to previous infractions within the same term.
- the action, or inaction has caused some detrimental effect to SLMHA
- the Member does not accept responsibility or does not correct the problem

c) Severe

Actions taken by an Executive Member that causes detrimental effect to SLMHA

- abuse of power, decisions made without the following of By-Laws
- breach of confidentiality
- publicly defaming the credibility and character of SLMHA and/or the decisions thereof.

Assignment of Discipline

Mild infraction

Written warning- to remain on file for the rest of the term

Moderate infraction

- placed on probation for a period of 1-3 months and/or
- have their voting privileges revoked but is still required to attend monthly meetings and continue with the work of the Board in their role and/or

Severe infraction

- suspended from all SLMHA activities for up to 3 months and/or
- honorarium revoked
- Membership of Board or entire Association revoked.

As above decisions to revoke membership must be made by “Special Resolution”.

4.5 Appeal Process

Appeals will be given to the Vice President or his/her alternate. The Vice-President will then assign 2 other Executive members (who are not already members of the Discipline Committee) to a Special Committee to evaluate the validity of the appeal. If found to be valid, this same committee will be provided with all relevant written information related to the discipline or actions undertaken as a result of an outcome of an investigation.

Appeals should be heard as soon as it is practical. The appeal must contain a clear and concise summary of the grounds for appeal. Notice of the appeal must be submitted to the Vice-President within five (5) days from the date of notification of discipline. If the appeal is denied, further appeals can be made to Hockey Alberta under the normal appeals process.
