

The 'Pack is back! After several years in dormancy, the Alberta Wolfpack will field 5 teams in 2012/13. The Wolfpack was one of the elite summer AAA teams, which collectively had 20 teams in Northern and Southern Alberta at its peak. We are holding a prep-camp/tryout in Spruce Grove on Dec 22/23rd, 2012 to try to round up the best players in the area. If selected from this tryout the main camp will be held in late March.

These are summer tournament traveling teams, based out of Edmonton that will all have their big tournament in Whistler, BC this year.

Please contact me for more information.

Thanks,
Ryan Hetherington
