

PeeWee A

Report from Kim Hymers

Things are good. We have settled into tier 2. We have had a few losses but seem to be getting stronger and closing the gap in some of these games. We have also booked some team building nights.

PeeWee B

Report from Don Petersen

Games are going good. Booked into brooks tourney jan15,16,17.

Lots of time changes on home games, but all done now. Some challenges trying to fit in TBA games.

Thats all i think.
