

PeeWee Report

PeeWee tournament was a success. We only had a few complaints with the reefing, but that was all. I think Kim gave Jason the treasurer report from the tournament. I haven't seen it so I am not sure how much we made and all that stuff.

PeeWee B team reports all regular season games are booked and will play a 4 point game against Sylvan as there was only 1 ice time that worked out. Refing programs in most towns need much improvement so there is confident capable refs on ice to protect our kids and ensure games are successful.

PeeWee A team manager had nothing to report. She said anything she had to report wouldn't be positive. That is all she said...

I have had numerous PeeWee A parents complain to me about the players bullying other kids in the dressing room, on the ice and outside the arena. There is a lot of the blame game going on and mostly the blame is being put on the goalies, but also whomever is on the ice at the time a goal is scored on them. Not sure what can be done about this, but a lot of unhappy parents. Also some complaints regarding a drill that is being done at practice, I was hoping someone would bring this up to the coaches as I don't know much about it. I worry as there are a few kids who are losing their interest in playing hockey through SHMA and are thinking of moving to the rec league. I think that something needs to be done as our PeeWee and Bantam numbers of players are already low as it is. Especially because I think this issue can be resolved.

There was 1 PeeWee B jersey that was ripped and needed to be sewn up. Cindy Zimmerman billed SMHA for that.

Not sure what happened with the PeeWee girls pucks that went missing during our tournament. The only feedback I have received is that the bucket was left out and Terry put the bucket (with some pucks in it) in our locker just so it didn't get stolen. Now bucket is there but no pucks.
