Midget A started in teir 1 have remained in teir 1  
Midget B started in teir 7 have been placed in teir 3

Enclosed is a final list of all teams that have been placed in our teirs, travel looks to be pretty good for the most part, Midget A will have the worst, but it is to be expected.

Attended CAHL re teiring meeting on November 8, 2016 couple of things to report from that meeting.

- Please make sure that treasurer has proper CAHL treasurer email as it changed due to the account being hacked, new email address is [cahltreasurer1@gmail.com](mailto:cahltreasurer1@gmail.com)
- Associations please make sure that ref reports are filled out properly especially when the refs are writing down the names of the playing teams, getting lots of them filled out saying that the storm player hit the wrangler player in a dangerous manner. Should read the Stettler player hit the Lacombe player in a dangerous manner. Managers please read ref reports and get the officials to correct them if they do not make sense.

- Season schedules will be coming out within the next week, there will be no games booked for the family day long weekend in February, however ice should not be let go as this weekend will be set aside to finish any TBA games that did not get scheduled throughout the year or games that were cancelled due to weather etc.
- Number of games that each team will play will be determined by the number of teams in your tier. For example if you have 8 north team you will play 1 home 1 away for a 14 game schedule, if you have 9 teams your schedule will be 16 games etc. with the exception being a low number of teams there may be a situation where there will be a home and away and a half. The most regular season games that will be scheduled will be 18.

Other than all of that I believe that all is well in SMHA land.
