March 2014

Dear Thistle Club Curlers,

2015 Canadian Senior Curling Championships - Volunteers Needed

The Thistle Curling Club has been asked to host the 2015 Canadian Senior Curling Championships from March 19 to 28, 2015. It is a great honor to hold such a prestigious national event at our club. It will start on March 19 with four teams competing to qualify for the championship round robin, which starts on Saturday, March 21st.

In the past few years, the Thistle Curling Club has played host to the Alberta Masters, Juvenile and Junior Provincial Curling Championships to great acclaim! We seek to build on our recent success with a national showcase. Our dedicated volunteers are the key to hosting such events! We hope you will consider joining our team for the 2015 Canadian Senior Curling Championships.

We are looking for around 100 volunteers. The core areas are: transportation and team services (drivers), hosting (ambassadors), and finance (50/50 sellers, admissions). There will also be opportunities to assist with setup and takedown for ceremonies and banquets. Our volunteers, as always, will be courteous, enthusiastic, and willing to work a minimum of 30 hours (5 shifts). A \$50 fee for each volunteer will go towards the purchase of event uniforms, scheduled social events, and other volunteer services.

If you have any questions, please do not hesitate to contact Jim Weber at (780) 469-0018 (jdaweber@gmail.com), or Marv Huff our curling club manager at (780) 477-8142.

Sincerely,

Dave Moore, Chair
